Jari Peltola

FRONTEND DEVELOPER

Hi, I'm Jari Peltola!
Enthusiastic and dedicated coder with 18 months of experience in HTML, CSS, and JavaScript. Holds certifications in these technologies. Proficient in using Git, Shell, and TailwindCSS for responsive website development and deployment. Currently expanding knowledge in back-end development, focusing on Express.js, testing, SQL, and APIs.
Diverse physical activities including swimming, cycling, and running are some of my favorite hobbies.

ABOUT ME

I worked in the logistics industry for years, but due to the declining job situation and my growing interest in the IT field, I started studying Information and Communication Technology, which has proven to be the right decision.

Personal:
Positive and cheerful personality, dedicated to learning and growth.
Enjoys a variety of physical activities, including swimming, cycling, and running

My family consists of my partner, a cat, and last year, I became a happy grandfather.
